Positional Release

8 CE hours for LMTs

**Saturday, 9am-6pm
November 4, 2015**

Positional Release (PR) is an
osteopathic manual technique
which involves positioning a client
in the most comfortable position.
The client's muscle "resets" to
normal and the pain and discomfort
are gone. It's good for chronic pain,
spasm, post-surgery, posture, and
more.

Learn to apply from head to toe.

Only \$125 if paid in full by
October 23, 2017.

Or \$150
if less than 2 weeks or at the door.
